South Carolina Public Service Commission

Dear Public Service Commission,

Duke should quit investing in dirty, old energy like coal and nuclear, and actually invest in the cheaper renewable technologies its executives claim to support. I want the Carolinas to be more energy efficient and powered by local wind & solar that will employ thousands of Carolinians.

TO BOSINED

Sincerely,

George Walsh 100 Hunter Hill Rd Apt 14c Tarboro, NC 27886-4022
